Table HIB-4. Health Insurance Coverage Status and Type of Coverage by State All People: 1999 to 2010
People as of March of the following year.

Footnotes, source: <http://www.census.gov/hhes/www/hlthins/data/historical/footnotes.html>.

(1) Includes Tricare, Veterans Administration, and military health care.

(2) Estimates reflect the results of follow-up verification questions and of Census 2000 based population controls.

(3) Implementation of a 28,000 household sample expansion.

(4) These estimates from the 2005 ASEC were revised based on improvements to the algorithm that assigned coverage to dependents, and there was an adjustment to the weights.
