Source: US Census Bureau, Census 2000 Public Law 94-171 Redistricting Data.

Notes: ¹The 2000 Census was the first time that respondents were given the option of selecting one or more race categories to indicate their racial identities. For this reason, the Census 2000 data on race are not directly comparable with data from the 1990 Census or earlier Censuses.

²The federal government considers race and Hispanic origin to be two separate and distinct concepts. Persons of Hispanic origin can be of any race.
